

Frankston Little Athletics Centre (FLAC) has been established in Frankston for 55 years and has an outstanding history of providing our community families and children with a safe, fun and enjoyable environment to participate in athletics activities.

We are a family friendly centre and encourage parents to become actively involved and participate in weekly events and activities run by our centre. Our vision for each child is to encourage and support their growth and to have fun whilst achieving their 'personal bests' each week.

OUR MEMBERS

- Our membership spans throughout Frankston, Langwarrin and surrounding suburbs with over 150 members and families registering for 2023/24 season so far.
- The track and field season runs from October through to March, with weekly meets at the Ballam Park Athletics Track.
- We also conduct a Cross Country Season from April to Sept with strong attendance meaning your sponsorship is open to year-round opportunities.
